- We listen to one another.

INTRODUCTION

ABOUT THE SCHOOL

ZŠ a MŠ Králův Dvůr – Počaply is a primary and kindergarten school located in the town of Králův Dvůr near Beroun in the Czech Republic.

The school combines:

- Kindergarten
- Primary school (grades 1–9, approx. 450 pupils)
- After-school club
- School cafeteria

WHERE WE ARE

The primary school is based in two beautiful historical buildings. The first, dating from 1906, is home to Years 1 and 2. The second, built in 1915, houses pupils from Years 5 to 9. In June 2026, a brand-new extension opened with four modern classrooms for Years 3 and 4.

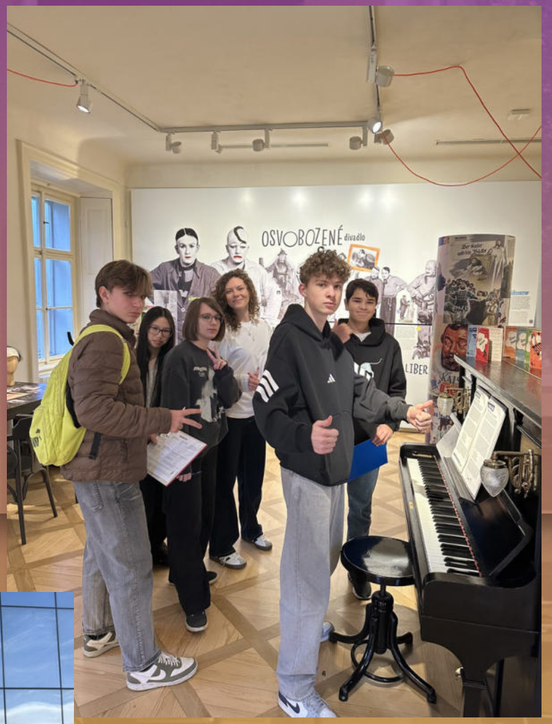

WHAT WE DO

At our school, learning doesn’t just happen in lessons. Our pupils take part in a wide range of educational, cultural, and sporting activities. They also visit local care homes for the elderly, enjoy trips to the theatre, participate in school camps, and take part in international activities, including trips abroad as part of their foreign language learning. We also take part on community actitivies.
